Praise and Worship Song <i>"God Will See Us Through"</i>	Congregation

In times of brokenness,
in ev'ry wilderness,
God has seen us through.
Times when our strength was gone,
somehow we carried on,
God has seen us through.

Look behind and see

throughout history,
God has never let us down.
Lean ahead and trust,
God is guiding us,
God is with us here right now.

God will see me through,
God will see you through,
God will see us through somehow.
Step by step we'll be
given all we need
God will see us through this now.

In times of brokenness,
in ev'ry wilderness,
God has seen us through.
Times when our strength was gone,
somehow we carried on,
God has seen us through.

Look behind and see

throughout history,
God has never let us down.
Lean ahead and trust,
God is guiding us,
God is with us here right now.

God will see me through,
God will see you through,
God will see us through somehow.
Step by step we'll be
given all we need
God will see us through this now.
God will see us through this now.

Call to Worship

LEADER: Somehow, despite all the pitfalls along the way, all the trials and tribulations in each of our lives, God has kept watch over us.

ALL: We have been confined and burdened; we have walked through fire and water; we have been mightily tested, but we have not been overcome.

LEADER: We are here because we seek to embrace, cherish, and speak the truth of our lives.

ALL: God hears our pleas and continues to love us with steadfast, undying love.

TNCH #179 "We Yearn, O Christ, for Wholeness"

We yearn, O Christ, for wholeness
and for your healing touch;
too long have we felt helpless;
our burdens seemed too much.
Forgetting all pretenses
we make our pleadings heard,
in hope and expectation
await your gracious Word.

We long to have companions
who travel by our side,
strong friends to call and answer
with whom we are allied;
As we lift up each other
when struggles lay us low,
community develops;
our faith and caring grow.

We need your living presence,
O Christ of Galilee,
a presence that revives us
and sets our spirits free.
No longer are we fearful,
your love pervades each place.
Empower us with courage
to claim your healing grace.

Gathering Prayer

**ALL: Holy One, be with us in this sacred space. Stir
your Spirit in and among us as we offer**

ourselves to you. We long to hear more than our own fearful groaning. From the places deep within us, may your Spirit intercede for us. Let us see you through all brokenness that we may find wholeness in being your holy body here and now. Create in us a tenderness to the needs of all, an openness to everyone's gifts, and a commitment to the journey of healing and wholeness. We offer this prayer in the name of love and truth.

Amen.

John 15:16 & 17

You did not choose me, but I chose you. And I appointed you to go and bear fruit, fruit that will last, so that the Father will give you whatever you ask him in my name. I am giving you these commands so that you may love one another.

*Infinite Possibilities: The Art of Living Your Dreams**by Mike Dooley*

There is no “life” without you – only an inert potential that needs you to give it meaning, shape, and purpose. Life is waiting for you to live it – your way. “Live” is a verb; it means to take action, to exercise your free will, to choose your path by using its principles to invoke the magic behind creation in order to live the life you’ve always dreamed you could live.

This is why you’re here!

“We Are Enough”

It's so easy to lie

It's so easy to hide

Pretend and go along

and act like nothings wrong

But it's so hard to believe
What we can do will be enough

You are enough

I am enough

Breathe in the love

We are enough

We are enough

It's so hard to show up;
So hard to trust love
Confess what's torn inside;
Admit the tears you've cried

It's so hard to believe
What we can say will be enough

You are enough

I am enough

Breathe in the love

We are enough

We are enough

No matter what you feel right now,

No matter what you've heard,

Love has the final word

Love has the final word.

We are, we are, we are enough

I am, you are, we are enough

Offertory Prayer

Congregation

ALL: Holy One, you have given us the gift of love so

that we might all know the truth of our

precious lives. Everything we have been given

has the purpose of shaping us to be of one

heart and mind, and so we offer what we have

to you. Bless these gifts as we bring them, that

we all might reveal the truth of the handiwork

of God in our lives.

Amen.

Sing! #75 "Banner of Hope"

Hastening down the morning,
floating on the breath of day,
holding out dawn's promise to the world.
Beyond any sensible warning,
joy finds a place to stay.
Hope flies like a banner unfurled.

Hastening down the morning,
coming forth without delay,
op'ning up tomorrow for God's Word.
Despite all the bitterness, scorning,
grace finds a place to stay.
Hope flies like a banner unfurled.

Hastening down the morning,
spiriting the fear away,
blessings dance as true hope is restored.
Love grows from the ashes of sorrow,
faith finds a place to stay.
Hope flies like a banner unfurled.
